PLEASE JOIN ASSUREDPARTNERS FOR FRESH HOP WEEKEND

During the month of October, we traditionally come together to celebrate Oktoberfest by sponsoring the Fresh Hop Ale Festival. While we will miss being together this year, we still want to help out the great Eastern Washington organizations they support. From **October 8th to 12th**, AssuredPartners will be matching 10% of all online and in-person beer sales from selected local breweries to donate the Fresh Hop Group.

To take part, please visit one of our participating breweries' websites or visit in-person to make a purchase. At the end of the week we will **donate 10% of all beer sales to the Fresh Hop Group**.

PLEASE SELECT FROM THE FOLLOWING BREWERIES:

[Bale Breaker](#) | [Cowiche Creek Brewing](#) | [Diamond Knot Brewing](#) | [Georgetown Brewing Co.](#) | [Kiln Tap Room](#)
[Ram Restaurant & Brewery](#) | [Single Hill Brewing](#) | [Valley Brewing Company](#) | [Varietal Beer Company](#) | [Wandering Hop](#)

ABOUT THE FRESH HOP ALE FESTIVAL

The Fresh Hop Ale Festival is a non-profit organization whose goal is to present one of the country's top 10 beer festivals, celebrate the Yakima Valley's hops, and support Yakima county based arts and science organizations.

The Yakima Valley contains approximately 75 percent of the total United States hop acreage, with an average farm size of 450 acres accounting for over 77 percent of the total United States hop crop.

Thank you for supporting your local economy and thank you for choosing AssuredPartners. Together, we can demonstrate the value of Power Through Partnership.

*AssuredPartners will work with individual breweries to calculate total beer sales during 10/8/20 – 10/12/20. A donation will be made directly to the Fresh Ale Hop Group.
